Upcoming Events:

July 14: Trendsetters
July 29th-Aug. 2nd: Twin Oaks Camp

With the holiday weekend, the elders have scheduled a worship in song **tonight**. Come join us with your favorite song requests. This will take place in the **Auditorium** tonight, rather than the Fellowship Hall.

We had a great **VBS**. We averaged 138+ children plus teens and adults each day. In all, 160 different children came at least one day. What a tremendous job our teachers, teens and volunteers did to make this year a huge success!! Thank you, one and all!!!

Sunday Morning Class

A new **Adult Bible class** is taking place in the large classroom on the back hallway. This study is based on the real life story of how a non-believer was converted to Christianity by receiving Bible answers for his every struggling doubt. Come learn how to have a ready answer to everyone who asks you about your hope. **Don Berryman and Richard Morris** are leading the discussion based on the book, "**Muscle and a Shovel.**"

The **Auditorium class** is continuing its study of **the Gospel of John**. **Steve and Rayford** will be teaching the class together through the summer.

Rayford will be on **vacation** and **out of the office** from **July 9—July 18**.

We will need some help following services **tonight** to empty out the Fellowship Hall so that the floors can be waxed.

Those to remember in prayer...

Scott Allen has a blockage in a stent that was put in his right leg about a year ago. He will need either angioplasty or by-pass surgery on July 10.

Clarence Olson continues to have pain in both his neck and back following his surgery several months ago. He had two MRIs, a CT scan and X-rays last week which showed that he has a fractured vertebrae that is causing him pain in his back. He is expecting to have a procedure performed soon to inject cement into the fractured vertebrae.

Ruth Davis continues to make good progress with daily physical therapy. She is in Room 102 at Laurel Court.

Mona Travis, Kevin Ford's mother, was in the hospital last week and has now returned to her residence at Colonial Oaks under the care of hospice.

Billy Joe Bunch, the grandfather-in-law of the Bynum's granddaughter, Dana, has been diagnosed with terminal cancer and is not doing well. Please pray for comfort for this family.

Dottie Cullum, Nelda Wooten's sister, continues struggling with health issues after a neck procedure. The family asks for continued prayers on her behalf.

Brenda Taylor Fox, a dear friend of the Morris', was diagnosed with what may be a reoccurrence of a melanoma. Please pray for Brenda and her family.
