Those to remember in prayer...

Zack Brown had a stress test on Tuesday and the doctors have determined that his chest pain is not his heart. They performed an endoscopy and found that he has a tear in his esophagus probably due to hard coughing caused by his COPD. This tear should fix itself with medicine and he hopes to come home in a few days.

Clarence Olson had a procedure Tuesday to inject cement into a fractured vertebrae. The procedure went well and he is already feeling some relief.

Ernie Hendrix, a friend of **Amber Fontenot**. Ernie was injured in a fall while hiking and is currently in a coma, but responding to some communication. They are looking to begin rehab as soon as he is stable.

Johnny Milligan, Nelda Wooten's brother fell this past Wednesday and have to receive stitches in his head. While in the hospital they found a blockage in his heart and have kept him for testing.

Johnathan Ausmus, the grandson in-law of the Johnson's had his jaw broke at the Rodeo. He had surgery and will have to have his mouth wired shut for the next few months.

Brenda Taylor Fox, a dear friend of the **Morris'**, was diagnosed with what may be a reoccurrence of a melanoma. Please pray for Brenda and her family.

Ruth Davis continues to make progress with daily physical therapy. She is in Room 102 at Laurel Court.

Mona Travis, Kevin Ford's mother, is at Colonial Oaks under the care of hospice, but is better and was able to walk with a walker this week.

Sympathy

Please keep the family of **Billy Joe Bunch** who has been on our prayer list for the last several weeks. He passed away this last week.
