Bullard Scholarship Recipients

We are very happy to announce the **2015-16** recipients of the *Frances & Virgil Bullard Memorial Scholarships*. They are: **Amber Fontenot and Fallon Howley** from our congregation, **Jessica Fontenot** from the **League City congregation** and **Hannah Atkins from the Pearland church**, who will all be attending **Harding University** in the fall. We congratulate these young ladies and we want to thank the **Bullard's son, Greg**, for his continued support of this program that is now in its seventh year, to help our young people pursue a Christian education.

Ladies' Day

There is a sign-up sheet in the foyer for any ladies interested in helping to plan and prepare for the *Westside Ladies' Day* that is on **Saturday, September 19th**. Please sign up for the activity you would like to be involved in. **See Shirlee Chadwick or Julie Welch if you have any questions.**

Sunday Night Summer Series

Tonight we are continuing with our summer series of messages brought to us from men of our congregation. Tonight we will be blessed to hear from **Steve Haney**.

Those to remember in prayer...

Louise Shepherd is critically ill at home and under the care of hospice.

Joshua Oakley, the 17 year old son of **Julie Welch's step-brother Daryl**, remains serious condition, but is doing some better after an ablation procedure to get his heart back into normal rhythm. This was only partially successful, but stabilized him enough that they were able to remove the ventilator on Wednesday. He will need a heart transplant and the family has begun this process.

Charles Goodnight, the former preacher at the Mainland church in Texas City and a dear friend to a number of our members has recently been diagnosed with prostate cancer and would appreciate our prayers. The cancer had not spread and Charles will begin radiation shortly.

Brenda Taylor Fox, a close friend to the **Morris family** who had 2 nodules in her lung, found out this past week that the smaller nodule has disappeared. The larger one, however, is still growing and because of its location it is inoperable. She will be starting immunotherapy immediately, which is supposed to help her body learn to fight cancer cells. She asks for prayers that she does not get sick and that it is successful in riding her body of current and future melanomas.

The Busha's would appreciate our prayers, on behalf of **Mrs. Sandow**, the mother-in-law of their **daughter, Danette**. **Mrs. Sandow** was recently diagnosed with a malignant tumor on her Pancreas. The tumor itself is inoperable, but they performed surgery on Friday to try and deal with some additional complications caused by the tumor.

Ken Clawson, Max's brother who lives in Round Rock, is facing some very severe complications from his diabetes. He had to have stints place in several arteries in his legs this week to help with circulation.
