### Those to remember in prayer...

**Louie Shepherd** remains critically ill at home, under the care of Hospice. Please keep **Ron and their family** in your prayers during this difficult time.

**Joshua Oakley, the Welch's nephew** from Wichita, Kansas, remains in stable condition in the hospital in Kansas City as he awaits a heart transplant. He is having some new problems with tachycardia, in which his heart rhythm is irregular at times and on Monday he will have an internal defibrillator implanted. With his present condition, this procedure carries additional risk, but Joshua is in good spirits

**Brenda Taylor Fox**, a close friend to the **Morris family** who had 2 nodules in her lung, has learned that the smaller nodule has disappeared. The larger one, however, is still growing and because of its location it is inoperable. She will be starting immunotherapy immediately, which is supposed to help her body learn to fight cancer cells. She asks for prayers that she does not get sick and that it is successful in ridding her body of current and future melanomas.

**The Busha's** would appreciate our prayers, on behalf of **Mrs. Sandow**, the mother-in-law of their **daughter, Danette**. **Mrs. Sandow** was recently diagnosed with an inoperable malignant tumor on her Pancreas.

**Wanda Whitmire** has fractured a vertebra in her back. She has to wait till September till she is able to receive the MRI she needs. She is at home, but not doing well.
