Those to remember in prayer...

Gary Brown received excellent news from his CT, as there has been no changes to the spots on his lungs.

Chris Jong fell and broke her hip on Sept 25th. She had surgery last Sunday that went very well and she has had a good week. She was moved this past Thursday to Laurel Court for rehab and is in room 105-B.

Wanda Whitmire has to have additional tests run before she can get the approval for surgery on her broken vertebrae.

Joshua Oakley, the Welch's nephew from Wichita, Kansas, was moved back to the hospital in Kansas City and placed in PICU. He has been put on new medicines and his condition has stabilized again, but he will have to remain in the hospital now until his transplant surgery.

Paul Hillier, the minister at the **Angelina Church of Christ**, has recently been diagnosed with an inoperable brain cancer. His insurance denied a second opinion, but he was able to start treatment at MD Anderson his week.

Jonathan Ausmus, the grandson in-law of the Johnson had to have a second surgery on his jaw that he broke recently and it went well, but he will have his jaw wired shut again for 2 - 2 and a half more months.

Please also remember our shut-ins: Jim and Bette Green, Ruth Davis, Gloria Wolf, Charlene Taylor, and those with continued health issues listed on the back.
